Dear Parents/Guardians,

School Council Elections 2015

School Council elections have to be held at the start of the school year and members serve two year terms. As Executive Officer of School Council I have therefore called for nominations for 2015. Detailed information about council elections and the timeline are set out below. Please note that NOMINATIONS close at 4:00pm on TODAY, February 13th and that nomination forms are available at the College. If the number of nominations is the same as the number of vacancies a ballot will not be necessary.

School Council is responsible for school policy and oversees areas such as the selection of the Principal, financial management and the approval of school camps and some excursions. It is comprised of parent, staff and community representatives – half of whom change each year. The following elected members of our current School Council retire at its final meeting scheduled for Monday, February 23rd. On behalf of the school community I would like to thank them for their contributions.

Parent Members up for Retirement: Mr Colin Brown, Mr Jason Byrne, Mr Colin Low and Mr Paul Whitsed.

DET Members up for Retirement: Ms Christina Keyzer-Mcintosh and Ms Jose Miller.

I encourage parents who have an interest in shaping the future direction of the College to nominate for one of the four vacant positions.

Timeline
1. Notice of election and call for nominations – Friday, 6 February 2015
2. Closing date for nominations – Friday, 13 February 2015
3. The date by which the list of candidates and nominators will be displayed – Monday 16 February 2015
4. The date by which the ballot papers will be prepared and distributed – Friday 20 February 2015
5. Close of ballot – Friday 27 February 2015
6. Vote count – Monday 2 March 2015

School Diaries

Every Year 5-12 student has been provided with a new school diary. These diaries should be used regularly by all students. I would encourage parents to check diaries regularly – they are NOT for personal use and should be used as a means of communication between students, teachers and parents. Parents, please make time to look through your child’s diary on a regular basis.

Year 9 & 10 Netbook Program

On Thursday night last week 80% of families of Years 9 students made time to attend an information session and launch of the Netbook program. Students and parents were given a brief outline of the program. Students have taken to the netbooks like ducks to water and have been sighted using them not only during class but also in the school yard.

By the end of the week it is anticipated that 95% of families of students in Years 9 will have signed up to the program. Thank you to Janette Rixon and Neill Nichols for facilitating the distribution of the netbooks on the evening.

Student Accident Insurance Arrangements

A reminder that the Department of Education and Early Childhood Development (DEECD) do not provide personal accident insurance for students. Parents and guardians are generally responsible for paying the costs of medical treatment for injured students, including transport costs, unless the injury is caused by the negligence (carelessness) of a Department or school council employee or volunteer.

Students Driving Cars

The start of the school year is an appropriate time for parents and students to be made aware of the current policy on students driving cars and their responsibilities;

Guidelines
1. Students who are licensed drivers may drive their cars to school. Such cars will be parked in the service road adjoining the College. Student vehicles may not be driven on to school property or parked on school property.
2. Students may not drive cars as part of any school program (Regular classes or activities as advised to School Council).
3. For insurance purposes students should be advised that they are totally responsible for all matters related to their vehicle – the college does not have any insurance cover for such private property.
### Implementation

1. Students will be reminded about the college’s policy – occasional, timely articles in the school newsletter and specific reminders to senior students.

2. Breach of Policy: If a breach of the policy occurs the Year Level Leader will discuss the matter with the student involved and will notify the parents of department regulations and the school’s policy. The Year Level Leader will make every effort to contact the parents of the students involved in this behaviour. Repeated breaches of this policy will invoke strong disciplinary consequences that may include suspension from school and reports of inappropriate driving to police.

Clearly then, if students elect to drive themselves or others to and from school this becomes a personal arrangement between the car owner and the passengers. In such cases the drivers bear all the responsibilities associated with behaviour, road rules or accidents. I hope this policy is clear to our school community and that if a bus is available for long distance travel that this is the College’s preferred mode of travel to and from school.

*Tony Valente (Principal)*

Another year, another fantastic day! The 2015 Corryong College Swim Carnival was once again an event that showed what a wonderful community spirit we have. It was fantastic to see so many parents, students and staff get involved and make for a very memorable experience. In perfect conditions, the competition in the pool was intense, with many records falling throughout the day, but it wasn’t just our top swimmers that made the day a success. It was the efforts of every student who turned up to swim, or to simply cheer on their house that made Swim 2015 a memorable day. So to all our students, staff and parent—thank you!

Faulty Towers is a Wodonga TAFE Course where students do hands on work with food in the Hospitality Industry.

Faulty Towers is commencing a breakfast service in 2015 to respond to current consumer requirements in dining. We will still be open for dinner but this won’t start till later in the year. Your support for breakfast as customers means we can give chefs and wait staff the experience of working in a busy dining environment, managing many tables and coping with walk ins. This experience will add to students employability skills and opportunities for employment. We have trialled our menu and offer choices for children such as spaghetti and pancakes as well as fresh fruit.

We will be open for Breakfast from 7.30am – 11am on the following dates. Bookings would be appreciated but aren’t necessary. If you do wish to book a table you can phone or email the College; details are on this letterhead.

Traffic Alert 6 February 2015
Road Safety Improvement Works, Murray Valley Highway and Murray River Road - intersection between Corryong and Towong. VicRoads would like to advise the community to expect delays at the intersection of the Murray Valley Highway and Murray River Road between Corryong and Towong from Tuesday, 10 February 2015 due to road safety improvement works. The intersection upgrade will consist of constructing and sealing turn lanes, and other important safety improvements. The works will create safer road conditions for locals and visitors travelling through the intersection, which has been the location of a number of serious crashes. To allow for these works, a 40km/h speed limit will be put in place to slow traffic through the worksite. Lane closures will also be required at times so motorists may experience short delays.

Works are anticipated to be completed by mid-April 2015. VicRoads thanks the community for their patience while these important safety upgrade works are carried out, and asks drivers to obey the speed limits through the work site for their own safety and for the safety of maintenance staff. Road users travelling through the area are encouraged to plan ahead and allow for additional travel time. For enquiries or more information about the works please contact VicRoads on 131170.
