Dear Parents/Guardians,

Message from the Principal

Congratulations to Corryong College in 2014
I don’t know if many people realise but Corryong College year 12 students out performed all other colleges and secondary schools in the Wodonga district including schools of other denominations and private schools. Our College attained a median study score of 32 and 9.6% of our students received a % 40+ Study Score (VCE Schools Guide 2014 published in the Herald Sun on December 18 last year). Our staff are extremely thrilled with this result and I hope this will be an incentive for our current students to do even better in 2015.

It just goes to show that Corryong College is still consistently providing a high level of education at a fraction of the price of many other schools in the area.

Condition Assessment Maintenance (CAR) Program
Over the last week I have been meeting with three different architects regarding our CAR funding. At the end of 2014 we were allocated $482,000 to refurbish Block A, Administration, Block C and D, the library, music room and the three trade technology buildings on the senior campus. The three architects will now put in a submission to the Department and a candidate will be selected to supervise the works to be carried out in Term 2 this year. The buildings should look refreshed following a lick of paint and new floor coverings.

School Council Elections 2015
School Council elections have to be held at the start of the school year and members serve two year terms. As Executive Officer of School Council I have therefore called for nominations for 2015. Detailed information about council elections and the timeline are set out below. Please note that NOMINATIONS close at 4:00pm on Friday, February 13th and that nomination forms are available at the College. If the number of nominations is the same as the number of vacancies a ballot will not be necessary.

School Council is responsible for school policy and oversees areas such as the selection of the Principal, financial management and the approval of school camps and some excursions. It is comprised of parent, staff and community representatives – half of whom change each year. The following elected members of our current School Council retire at its final meeting scheduled for Monday, February 23rd. On behalf of the school community I would like to thank them for their contributions.

Parent Members up for Retirement: Mr Colin Brown, Mr Jason Byrne, Mr Colin Low and Mr Paul Whitsed.
DET Members up for Retirement: Ms Christina Keyzer-Mcintosh and Ms Jose Miller.

I encourage parents who have an interest in shaping the future direction of the College to nominate for one of the four vacant positions.

Timeline
1. Notice of election and call for nominations – Friday, 6 February 2015
2. Closing date for nominations – Friday, 13 February 2015
3. The date by which the list of candidates and nominators will be displayed – Monday 16 February 2015
4. The date by which the ballot papers will be prepared and distributed – Friday 20 February 2015
5. Close of ballot – Friday 27 February 2015
6. Vote count – Monday 2 March 2015

Declaration of ballot – Friday 6 March 2015 (Publication in KIT).

Students Driving Cars
The start of the school year is an appropriate time for parents and students to be made aware of the current policy on students driving cars and their responsibilities;

Guidelines
1. Students who are licensed drivers may drive their cars to school. Such cars will be parked in the service road adjoining the College. Student vehicles may not be driven on to school property or parked on school property.
2. Students may not drive cars as part of any school program (Regular classes or activities as advised to School Council).
3. For insurance purposes students should be advised that they are totally responsible for all matters related to their vehicle – the college does not have any insurance cover for such private property.

Implementation
1. Students will be reminded about the college’s policy – occasional, timely articles in the school newsletter and specific reminders to senior students.

Angelman Syndrome (AS) is a rare neuro-genetic disorder named after an English paediatrician, Dr. Harry Angelman, who first described the syndrome in 1965. A syndrome is a number of features which occur together as a group and indicate a particular condition. AS is characterised by severe intellectual disability, speech impediment, sleep disturbance, unstable jerky gait, seizures and usually a happy demeanour. Currently there is no cure for AS but with our donations we will be helping those researches looking for a cure.

**Bus Travel** If your child is a bus traveller and will not be travelling on the bus please send a bus note to the office and your child will be marked off the bus for that particular day. If your child is off the bus on a specific day every week – a permanent bus note can be sent to the office rather than sending one in each week. If your child is a regular bus traveller, we will ensure that they are always on the bus unless a note is provided to say otherwise. Phone calls can also be made to the Junior Campus office (ask for Gail) and she will pass the message on to the teacher on duty.
