Message from the Principal

Dear Parents/Guardians,

New DELL Netbooks Information Evening

An information evening on the leasing of the Dell Inspiron netbook is to take place on Parent-Teacher Interview evening on Wednesday 25th March. The information session will be brief and on that night we will open the program to the Year 8 students and families. Interviews will take place in the Year 5 to 8 Hub so the presentation will take place in the Senior Library.

Many people have asked for more information regarding the leasing arrangements and this will be explained in full on the night. At this point I can briefly say that if you pay your lease out by the end of Term 1, 2015 you get the machine for $600 (There will be an extension of this offer to Year 8 families). Also some people have said that they can buy the comparable machine in Albury for $595. This is true but does it come with software? We also add a heap of educational software on top of Windows 8.1. The Albury machines have a 1 year warranty, we provide three. In addition we provide free onsite technical support and a quality carry bag that costs between $50 and $80 on the web.

I think you will agree that this is a great deal when all things are considered.

School Council Elections 2015 (Repeat and Important Update)

Parents Elected to Council:

I am pleased to announce that all Parent positions on School Council have now been filled. Judith Penman is the most recent addition to School Council and I look forward to her input during the course of the year.

Inappropriate Use of Social Media

With the ever increasing illegal activity that is occurring on social media I think it is appropriate and timely that the school community be reminded about the appropriate use of social media;

Where there is a reasonable belief that illegal activity may have occurred, the principal may report the suspected activity to the police. Disrespectful, harassing, threatening or bullying behaviour may be considered a criminal offence under State and/or Federal law. Where the behaviour does not constitute illegal activity but does constitute cyber bullying, the principal may consult with the relevant areas of the Department of Education and Early Childhood Development regarding appropriate action.

If a principal believes the behaviour constitutes cyber-bullying, they can contact the Department’s Legal Unit for advice and support.

The policy for Using Social Media, which also includes information around Inappropriate Use Case Studies, can be found at the following link on the School Policy and Advisory Guide http://www.education.vic.gov.au/school/principals/spag/governance/Pages/socialmedia.aspx

Bus Travel – A Reminder

Students who are REGULAR USERS of the school buses are ONLY able to swap buses to go to a friend’s place if a written note has been provided to the school, preferably the day before, and counter signed by Mr Matt Barlee, Ms Sarah Klippel or Mr Tony Valente.

Students that are NOT REGULAR bus users are NOT to use the buses for any reason until an official bus form has been completed and signed by a parent or guardian. These forms can be obtained from the General Office.

Further to this it is MANDATORY that students use seat belts in buses that have them fitted. Failure to do so may lead to students losing their privilege of using the school bus.

Your cooperation in this matter is greatly appreciated.

Tony Valente (Principal)

Introducing …..

The Stephanie Alexander Kitchen Garden program would like to introduce our two new staff members. Bettina Bale (left) is our garden specialist and Pauline Taylor is now the kitchen garden specialist. They have made a fantastic start to the year. The garden is looking very healthy and the autumn seedlings are now growing. Pauline used over 10 different vegetables in her first class and all the students have enjoyed cooking and eating these healthy dishes. All parents are encouraged to participate in the garden and kitchen classes. Volunteers are always needed and encouraged to enrich this healthy eating program. Members of the program are welcome if they have a working with children’s check.

THANK YOU

Thank you to everyone who kept the garden and chickens alive during the school holidays. Without your help there would not be any food to cook with during Terms 1 and 2. Thank you for watering the garden:
Brenda Whitehead and family, Elizabeth Norman and family, Amy Paton and family, Peiris family, Learmonth family, Heycox family, Brendan Davis and family.

Thank you to Cathy and Warwick Ross for looking after our chickens throughout the holidays. Thank you to The Friends of the Kitchen Garden for weeding, putting up shade structures and maintaining the garden throughout the holidays.

Thank you to Col Brown and Ron Pynappels for helping us with the watering problems.

Thank you to Bettina Bale who worked way beyond the hours allotted to her to maintain a healthy garden.

Thank you to Faye and Des Martin for resurrecting our chilli plant.

We will be looking for more help during the Easter holidays.

Funding the SAKG program

This week excursion notes were sent out for the SAKG program. In the past funding for the program has been raised via school fees. This year a note will be sent once a term. If your child has any food intolerance or allergies that you want us to be aware of please put this on the excursion note. All students will participate in the program, even if the note is not returned.
TATHRA CAMP 2015

Students had a fun packed week from swimming and surfing in the beautiful water at main beach, fishing from the picturesque wharf, bushwalking through the Mimosa National Park and kayaking at Mogareeka. There were lots of opportunities to gain teamwork in tabloid activities, raft building and beach games. Students were given an education about the local area and gained many surf safety skills along the way. Students were co-operative at all times, keen to develop their skills and a pleasure to be with. They were complimented by many instructors on their good manners and their enthusiasm in immersing themselves in the activities.

A few words from the students themselves....

I enjoyed Tathra because I learnt things about people that I don’t think I could have learnt at school. I got to know people a lot better and I love surfing and the night activities. (Tiarnne)

The best part about camp was surfing because I had never done it before and it cooled me down. (Toby)

Tathra was the best camp that I have been on. We spent most of our time outside. The best part was surfing but to sum it up it was awesome. (Jake)

My favourite moment of the trip was walking around the National Park and playing at Moon Bay and making a sand castle and catching crabs there. (Sam P)

I found Tathra camp extremely fun, but the thing I liked the most was canoeing because I got to canoe with my best friend. (Olivia)

At Tathra we went surfing and that was my highlight because of that feeling when you stand up on the board. (Bailey)
Three big changes to the vaccine program

In 2015 three major changes to the vaccine program will impact on parents of secondary school students:

The Wodonga Council’s immunisation service may contact you about the secondary school vaccine program. Schools have been authorised to provide parent contact details to local councils for this purpose. Contact the school at corryong.p12@edumail.vic.gov.au or completing the slip at the bottom of the letter by 13th March, 2015 if you do not want your contact details given to the Wodonga Council. The letter was provided to your child on Tuesday 3rd / Wednesday 4th March, 2015.

In 2015 only, the vaccine that protects against diphtheria, tetanus and whooping cough will be offered to all students in Years 7, 8, 9 and 10. From 2016, this vaccine will be offered to Year 7 students only. This will provide earlier protection from these diseases.

The time-limited human papillomavirus (HPV) vaccine program for Year 9 boys was completed in December 2014. HPV vaccine will continue to be offered to all students (both male and female) in Year 7 from 2015.

Look out for the vaccine consent form/s coming home from school with your child. You need to read, complete and return the form/s regardless of whether your child is being immunised at school.

To learn more about the changes, the diseases, the vaccines, or how you can prepare your child for vaccination go to immunehero.health.vic.gov.au

What an exciting day at the first ever competition of EARTHBALL at Corryong College! The winners of both the 5-8 and 9-12 games were the mighty champions, ELLIOT! This provides formal notice of the termination of the Secondary Schools Tax File Number (TFN) Program between the Australian Taxation Office and your school from 31st December 2014.

Why was the program terminated?
The Australian Government is strengthening proof of identity (POI) processes through a standardised national approach for government agencies. The Secondary Schools TFN program does not comply with these guidelines which require sighting and verification of original proof of identity documents.

How can students apply for a TFN?
Applying online and presenting POI documents at a participating Australia Post Office is the fastest and most convenient way for students to get a TFN. More information on applying online can be found at ato.gov.au by searching for ‘QC27248’
Students who are unable to visit a participating Australia Post office will need to complete the application form Tax file number - application or enquiry for individuals form (NAT 1432). More information about lodging this form can be found at ato.gov.au by searching for ‘QC22604’

Ongoing assistance for schools with tax related matters
The ATO will continue working with teachers to educate students about tax and superannuation through our Schools Education Unit. The curriculum resource Tax, Super & You is a free, easy to use, online educational resource aligned to the school curriculum of each state and territory. This resource can be accessed at tax super and you.gov.au
Our expert staff can also deliver free interactive webinars (via the internet) or in-school presentations to students and staff. These cover TFNs, Tax Super & You and understanding the tax system. To request one of these options please email schoolseducationprogram@ato.gov.au

What you need to do
In order to provide you regular and useful information regarding tax and superannuation, we would appreciate your school completing and returning the attached information form to update our records.
Please forward this email to anyone in your school who requires information about the new TFN application process for students. If you need any further information you can email us at schoolseducationprogram@ato.gov.au or phone 1300 130 282 between 8:00am and 5:00pm Monday to Friday.
Spotlight - Our next session is at 3.30pm on Friday 13th March. Where: At the Uniting Church 3.30pm to 5.00pm. We invite, and welcome interested students who may meet at their school and be accompanied to the hall by one of our members, then collected from the hall at 5.00pm by a member of their family. We have lots of things planned for a happy/fun session!!

Looking forward to seeing you. Diana Ross on behalf of the Spotlight Team.
