Dear Parents/Guardians,

Year 12 Farewell – State-wide ‘No Muck Up!’
The final day that Year 12 students are expected to attend school this year is on Wednesday, October 19th. This will be followed by a week of ‘swot vac’ and Year 12 exams commencing with English on Wednesday October 26th. That said, students at the College studying LOTE – Indonesian undertook their oral exam in Wangaratta last week.

Prior to their exams it is essential that students maximise their focus on their studies. They need our full support during this challenging period. Each year the Department of Education and training forwards a memo to all principals of Secondary Colleges and P-12 Colleges highlighting the state-wide expectation to the end of the year by Year 12 students.

Although October 19th should be a pleasant end to their formal school education it is NOT a ‘muck up’ day. Consistent with the approach throughout the state student misbehaviour on the day will NOT be tolerated (this applies to ALL students). Students who damage property, disrupt the school or engage in unlawful behaviour will face strong sanctions. It should also be remembered that it is a trespass offence for unauthorised people to be on school property after school hours. As in previous years, a security firm will be engaged to protect school property during the final few evenings.

SunSmart Term 4
Parents and students are reminded that our College is a SunSmart school. Each year in Terms 1 and 4 our SunSmart policy requires students to wear a broad-brimmed hat whenever they are out in the sun including sport or PE classes, and including recess and lunch breaks. Parents are asked to assist us by ensuring students attend school during Term 4 with an appropriate broad-brimmed hat.

Enrolments for 2017
The College is well under way in making plans for the curriculum it will be offering in 2017. The gathering of accurate enrolment information is vital to the planning of classes, timetables and allotments at a school. Please ensure you inform the school sooner, rather than later about your plans for next year if you are leaving the town or you intend to enrol a child at the College.

This is particularly important in a couple of year levels where numbers are approaching the maximum for either one class or two classes. In such situations schools may not be able to accommodate late enrolments as this requires the splitting of classes and the corresponding allocation of further teachers and adjustments to the timetable. The whole process of advertising, interviewing and appointing a new teaching employee takes the best part of four weeks and cannot be expedited due to strict DET merit and equity procedures.

I would hate to have to turn a family away, even temporarily, because the school is unable to accommodate the enrolment of a new student.

Corryong College is seeking enrolment information for ALL year levels for 2017 NOW!

Student Accident Insurance – Ambulance Cover Arrangements
The Department of Education and Training (DET) has recently advised schools that parents should be reminded that the Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs. These costs may be recoverable from the Department where an injury is caused by the negligence (carelessness) of the Department, a school council or their employees or volunteers.

Student accident insurance/ambulance cover policies are available from some commercial insurers, and can be obtained by parents/guardians for individual students.

School Levies and Charges
Term 4 has just begun. Hence it is important that outstanding school levies and charges are settled as soon as possible.

School levies and charges for students undertaking programs at the College including instrumental music were distributed to families via the post towards the end of Term 1. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office. College Council sets fees and charges in order to provide the quality of facilities and programs enjoyed by our students. Parents’ cooperation is appreciated.

Thank you to all those parents that have already made payments. If you would like to make progressive payments, please contact the College Office to make arrangements.

Corryong College students have once again achieved exceptional results for their participation in the International English Competition and Assessment organised by the University of New South Wales and Educational Assessment Australia in July this year.

39 students from the College were involved in the UNSW English Competition with two of those students achieving Merit level. An incredible 56% of all students who took part attained Credit certificates or higher.

Ellie Holland from Year 6 was awarded a Distinction certificate for her outstanding achievement of being placed in the top 3% of all Year 6 Australian participants. Year 7 student Barry Pearce is no stranger to attaining high results in this competition and he has once again achieved a result that places him in the top 11% for his year level. Similarly, Matilda Houston, who is currently studying for her VCE, was also recognized for attaining results that place her in the top 4% nationwide.

Year 12 is a particularly challenging year for any student and Corryong College would like to recognize the great achievements of Dillon Jarvis, Isabel Cribb and Niam Foxcroft who were all awarded Credit certificates at this highly competitive level.

With results like these, there can be little doubting the fact that Corryong College English students are certainly going places!

Vegetable Babies - The Year 10 Science class has been studying genetics. This week we created vegetable babies while understanding the difference between dominant and recessive traits. The babies tend to have eyes like their Mum and feet like their Dad.
1788 and a change in time.

What does the arrival of the First Fleet at Sydney Cove, the French Revolution and changing clocks all have to with each other? Well, 1788 is the link! In 1788, while Captain Arthur Phillip was getting his feet wet walking up the beach, the leaders of the French Revolution were making radical changes to how they measured time (not to mention the King of Frances collar size!)

The long and short of it was the French proposed to divide a day in a period of 10 hours. Each hour would be made up of 100 minutes while each minute 100 seconds. Clearly, it didn’t take on, although members of the French were still discussing it as late as 1900.

This week, in their STEAM studies, the students in Years 5 and 6 were challenged with the task of creating a device that would measure a time interval of 86 seconds, the equivalence of a decimal minute. At the time of writing this article the students are still in the process of testing and modifying their timepieces. I wonder how different things might have been had we adopted decimal time?

PARENTS’ CLUB

We are to have our second last meeting for the year next **Monday 10th October at 2pm in the HUB** at the senior campus.

If you have any agenda items, please feel free to let me know and I will add them. Looking forward to seeing you then.

We are looking for donations of biscuits/cakes/slices/muffins for our upcoming Open Garden next weekend at Kaye & David Laverty’s property at Lucyvale. This is a fantastic opportunity for our school and we need people to support it, so we would love you to bake something and get a group together to visit the garden.

We will also need people to assist on the day with manning the gate, serving beverages etc... (Any assistance would be greatly appreciated)

If you have any items could you please drop off at the school offices or at Melissa Humphrey’s salon (rear of 68 Towong Road).

Would you consider donating some of your time to volunteer in the Op Shop? We still need helpers and people willing to join the committee of management. If you can help out please contact Sally 60760529.

Yours truly Petrina Hewatt Secretary

What will happen to the scarecrow after the weekend?

○ We will pick it up from the garden on Sunday afternoon after 3pm

○ We will pick it up from Corryong College senior campus.

○ We don’t want it, so it can be thrown out or displayed at another venue.
**Corryong Tough Mudder**

This week Corryong College's Active for Life class launched a major fundraising event as part of the Adidas School Fun Run Program. Corryong Tough Mudder is being held on Friday 11th November. The event is being used to raise money towards the restoration of the B Block basketball court and surrounding area which is in desperate need of a face lift. All students in years 5 - 12 have the opportunity to take part in not only the event but also in helping raise money - the more we raise, the more we can do! Students can go online to [www.schoolfunrun.com.au](http://www.schoolfunrun.com.au) to register and create their profile page. We urge family and friends to support our students by going to their profile page to donate — all you need to do is ask them for the link!

---

The College is currently setting up a programme to contact parents/guardians when their student is absent from school without reason (the College has not been contacted to say that the student will be away).

To assist us to do this we require the students parent/guardian mobile phone number.

Please assist us by completing the form below and returning to the College as soon as possible.

## CAMPS, SPORTS AND EXCURSIONS FUND (CSEF) - DAIRY ASSISTANCE

### Program Background

As part of the Victorian Government’s dairy assistance package the Camps, Sports and Excursions Fund (CSEF) is being extended to students currently enrolled in government and non-government schools whose parents own, share-farm or lease a dairy farm business; or those people whose primary occupation is working on a dairy farm.

### Who is eligible?

Students currently enrolled at the start of Term 3, 2016 in government and non-government schools where one or both parents:

- own an operating dairy farm
- are share farmers on a property primarily operating as a dairy farm
- hold a lease for an operating dairy farm
- work as an employee on an operating dairy farm and this is their main source of employment.

**Evidence may include:**

- a dairy industry license issued by Dairy Food Safety Victoria (DFSV)
- lease documentation
- share farming contract
- agreement with a dairy production/supply company
- a letter from an employer
- a statutory declaration stating the family’s main business or employment is on an operating dairy farm (in cases where other forms of evidence are not available).

Confirmation from a kindergarten that a younger sibling has been approved for the dairy Kindergarten Fee Subsidy on the basis of being an eligible dairy farming family (as above)

Families who received the means-tested CSEF payment are also eligible. However families that have previously qualified for the CSEF Drought assistance are not able to also access the CSEF Dairy assistance funding.

### How much is the dairy assistance payment?

A one-off amount of $375 per student will be paid to schools.

### Do parent’s need to apply for this assistance?

Yes. Parents/legal guardians and independent secondary students will need to apply for this assistance via the Dairy Assistance Application Form along with evidence as requested by 18 November 2016.

- confirmation from a kindergarten that a younger sibling has been approved for the dairy Kindergarten Fee Subsidy on the basis of being an eligible dairy farming family (as above)

The Dairy Assistance Application Form must be lodged at the school by 18 November 2016 along with evidence as required.

PAYMENT AMOUNT

This one-off payment of $375 per student is only available in 2016 and will be paid to the school for the eligible student.

Families who were eligible for the means tested CSEF payment are also eligible to receive the Dairy Assistance payment. However families that have previously qualified for the CSEF drought assistance funding are not able to also access the CSEF dairy assistance funding.

OFFICE USE ONLY:

Government & Non-Government schools:

1. Parents/legal guardians and independent students are required to complete a Dairy Assistance application form and lodge the form at the school. Application forms are to be retained by the school.

2. The school is then required to complete and email the endorsed spreadsheet to csef@edumail.vic.gov.au by 2 December 2016. The spreadsheet template can be downloaded from www.education.vic.gov.au/csef

3. DET will make a bulk payment into the school’s bank account by the end of term 4, 2016.

4. The school will be required to allocate the funding directly to benefit the eligible student. The school should communicate with their school community about how the funding will be allocated.
