Dear Parents/Guardians,

**PRINCIPALS COLUMN**

**Indonesian Excursion**

Emails from Ms Jose Miller have indicated that the group is handling the hot and humid conditions in Bali well. The Waterbom Park was a hit and helped them to acclimatise to the warmer conditions. The students and parents have attended language lessons at the AILF, the international language school in Bali, and have used their new skills to negotiate favourable prices, or so they believe, in the streets of Kuta. Jose’s greatest challenges will be to ensure that they don’t spend all their money in the first few days and that they all stay hydrated, an issue that arose during the trip 2 years ago.

**Student Bus Travel – Repeat!**

Students who are REGULAR USES of the school buses are ONLY able to swap buses to go to a friend’s place if a written note has been provided to the school, preferably the day before, and counter signed by Mr Matt Barlee, Ms Sarah Klippel or Mr Tony Valente.

Students that are NOT REGULAR bus users are NOT to use the buses for any reason until an official bus form has been completed and signed by a parent or guardian. These forms can be obtained from the General Office.

Further to this it is MANDATORY that students use seat belts in buses that have them fitted. Failure to do so may lead to students losing their privilege of using the school bus.

Your cooperation in this matter is greatly appreciated.

**What Will Corryong College’s Report Card Look Like This Semester?**

In Victoria the Australian Curriculum is referred to as AusVELS. This curriculum and assessment framework was implemented in 2013 in Victorian government schools from Foundation to Year 10. AusVELS uses an eleven level structure (refer to the table below) which reflects the design of the Australian Curriculum whilst retaining the Victorian priorities and approaches to teaching and learning.

AusVELS replaces the VELS – Victorian Essential Learning Standards that have been used in schools since 2006. The Victorian Essential Learning Standards (VELS) outlined what was essential for all Victorian students to learn during their time at school from Foundation to Year 10. This set of common state-wide standards was used to plan student learning programs, assess student progress and report to parents. Student report cards will look very similar to reports in the past.

A translation table of VELS to AusVELS is shown below:

<table>
<thead>
<tr>
<th>Nominal levels</th>
<th>Prep</th>
<th>1</th>
<th>2</th>
<th>3</th>
<th>4</th>
<th>5</th>
<th>6</th>
<th>7</th>
<th>8</th>
<th>9</th>
<th>10</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>AusVELS</strong></td>
<td>Foundation</td>
<td>Level 1</td>
<td>Level 2</td>
<td>Level 3</td>
<td>Level 4</td>
<td>Level 5</td>
<td>Level 6</td>
<td>Level 7</td>
<td>Level 8</td>
<td>Level 9</td>
<td>Level 10</td>
</tr>
</tbody>
</table>

We hope that this information will assist you in interpreting your report card.

**Distribution of the Semester 1 Student Report Card**

Student Report Cards for semester 1 will be distributed during a form assembly at the end of the day on Friday 24th June. Report Cards will not be distributed before the form assembly. If students are not present on this day the report may be collected from the General Office on your return next term.

**Modification to the Junior Campus School Crossing**

The Towong Shire in partnership with Vic Roads will be making changes the Junior campus crossing – Towong Road. Road works will involve moving the school crossing, extending the island and widening the footpath. This will now have some impact on the buses as they will no longer be able to turn in front of the island. Bus drivers will have to go around the roundabout and then line up as usual.

The Shire has assured us that there will be minimal disruption and that they will try to work with the school as much as possible. Most of the works will be on the junior campus side and that they will continue to operate the exiting crossing during the work schedule to reduce the impact on the school children. There will be some delays and traffic control on this section of the road will operate during the middle of the day.

...
## School Levies and Charges

We are fast approaching the end of the semester i.e. nearly half the year is gone. Hence it is important that outstanding school levies and charges are settled as soon as possible.

School levies and charges for the *Essential Education Items* are as follows:

- Prep to Year 2 - $120,
- Year 3 to Year 6 - $200
- Year 7 and 8 - $210,
- Year 9 and 10 - $210

The levies and charges are more than reasonable when compared to charges issued by other schools. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office.

*Tony Valente (Principal)*

---

Selamat siang dari Indonesia. Well, we hope you are enjoying the thick frosts and low temperatures. Here we have just got out of the pool before breakfast and are settling down to waffles, omelettes and nasi goreng. The next three days we are off to study at university, Bali Waterbom Park and Kuta before travelling to Java to visit Borobudur and Prambanan.

*Mrs Josie Miller*
PIES AND SAUSAGE ROLLS

Prices

Pies $4.00
Sausage Rolls $3.50
Iced Donuts $2.00

Visitors to Junior campus. A reminder to parents to please call past the office and sign in as a visitor prior to going to the classrooms.

Student banking
Every Tuesday

Victorian Primary School Nursing Program. The Victorian Primary School Nursing Program is a free health assessment service offered by the Department of Education and Training to all children during their first year of primary school. An information package has been sent home to all Foundation students. Please complete the forms and return to school ASAP. The school nurse will be attending Corryong College Junior campus early next term. There are still some outstanding, however thank you to parents that have returned the forms and no doubt your child has come home to say the school nurse has visited.

Head Lice. It has been brought to our attention that head lice is back again. Please could parents check their children's hair and treat as necessary.

UPCOMING EVENTS TERM 3—MORE DETAILS LATER:-

F-2 Excursions:-

On the 16th August F-2 will be participating in tree planting through Landcare. This will be held along the Colac Colac bike trail. Parent volunteers will be required on this day, however more details will come out early next term.

On the 23rd August F-2 will be going on an excursion to Wodonga. They have the opportunity to go and see the show Snugglepot and Cuddlepie at the Wodonga Cube at 1.00p.m. Cost and more details to follow.

HEADS DOWN DURING A FLUENCY ACTIVITY
As we close in on the end of the semester and the weather gets colder, things are only heating up at Corryong College. We had students representing Corryong College at the State level Cross Country this week, in shooting competitions and even in Indonesia!

State level Cross Country is competitive, intense and simply impressive. The students that represented Corryong College at such a level should be proud for promoting Corryong College to other schools. We congratulate these people and hope that they keep running for Corryong!

Students also participated in shooting competitions this week, with our Corryong B Grade landing 1st place, and our A Grade team securing third place in the Biathlon. This display of talent helps build our image at Corryong College as a competitive and fun loving school, and we again congratulate these students too.

The Year 9 / 10 students studying Indonesian flew off to Indonesia itself this week! This Indonesian Immersion Excursion continues to be an enlightening and popular trip that students benefit off of. While over there, the Indonesian students will be delving deep into the lifestyles of Indonesia, and embracing their cultures, habits and even cuisine! While they’re away, we’ll all be sending our good thoughts to make sure they’re having a blast!

Despite all these great activities however, we have noticed a problem that stands out in the school yard: rubbish. Rubbish bins are located all over the school, and are but a few metres away from every social hotspot. Even if students pledged to take their rubbish at the end of recess and lunch to a bin that they will undoubtedly pass on their ventures back to their lockers and classes, then we would see significant and impressive change in the school yard, making our school more presentable and inviting.

Hume Cross Country

There were some amazing results at last Wednesday’s Hume Cross Country, with 11 students from Corryong College travelling to compete in Broadford. Both Jess Damm and Hayley Whitsed ran exceptionally well to finish 14th and 15th respectively, while Bella McKimmie was also competing strongly before suffering a mid race fall. Both Ellie Holland and Zac Whitsed ran great races to finish 50th and 24th respectively. All our junior competitors should be very proud of their efforts. In the senior completion, Maddie Davidson recorded her best result at the Hume Finals, coming home in 20th place, while Mitch Grogan and Kelly Paton finished 28th and 26th respectively. Riley Saxon ran a wonderful race coming 24th.

The highlights of the day, were undoubtedly the performances of Kristy Whitehead and Ryan Norman. Kristy ran a superb race to finish 6th in a time of 12:22 minutes, while Ryan picked up a bronze medal, finishing 3rd in a time of 10:43 minutes, an awesome result and just reward for all the hard work. Both Kristy and Ryan have qualified for the State Finals to be held in Melbourne at the beginning of next term—well done and good luck.
All teams had to shoot 4 clays at 2 different stations earning 25 points for each clay hit. A top score would be 200.

Bench rest rifle shooting consisted of 5 shots at a target.
Which is converted to percentage of accuracy. A top score 100.
They also shoot 5 small silhouette pigs at 25m and 5 silhouette goats at 33m. A hit scores each shooter 10 points. A top score 100.
The shooters receive a score out of 400 which is totalled for individual trophies and team trophies to be awarded.
Our A grade team (Jackson Brown, Dillon Jarvis, Bradley Colbert, Lachlan Brown and Sam Harrison won medals for 3rd place overall in A grade competition.
A separate team event, "The Biathlon" which consists of running and shooting, this combines controlling your breathing to maximise targets hit.
Any of the 5 targets missed means running a penalty lap which brings in a slower time. Our A grade team made the finals and came in 3rd.
Our B grade team (Hayden & Charlie McKimmie, Darcy McKimmie, James Mongan) won the cup and medallions for best team score in B grade.
There is also a moving target event, where everyone in the team shoots at a wild boar target.
There are also a few novelty events, shooting at soft drink cans, balls and the clay rabbit target.
The weather was freezing with most families leaving Corryong at 7am for a day in the coldest part of Victoria, the wind blew a gale all day which made shooting conditions difficult and the boys struggled to keep their trigger fingers warm.
Congratulations to all the boys for all bringing home a medal or two! The boys should be proud of their courteous and responsible manner displayed on this day.
Thankyou to Mr Melhuish and all the families for taking the students to an event they thoroughly enjoy.
If you are interested in competing next year, organise to sit your firearms test now as the paperwork takes time to submit. Contact the CNC for future course dates.

PARENTS CLUB NEWS - OP SHOP

The Corryong OP Shop is operated by volunteers, managed by a committee made up of 3 members from each of Corryong College, Sacred Heart and Pre School, 1 interested community member. All profits are distributed to the schools. For the past 2 years, each school has received $6000.00. Parents Club distribute this money in response to teacher requests for equipment / resources, educational programs and excursion subsidies. These funds are significant and very important for our school, particularly the Junior levels. This money should not be taken for granted and is not guaranteed without participation from the school community.

Corryong College currently have only 9 volunteers contributing to the OP Shop roster making it difficult to keep the shop open. Please consider volunteering, even 1 shift per term makes a difference. Pair up with a friend, family member or neighbour. It is an easy, enjoyable way to spend a few hours and makes a huge contribution to the school.

Helpers are urgently needed for Fridays, morning and afternoon, also Saturday mornings.

Please contact Sally Permezel for more information 0448 203 728 or sallypermezel@bigpond.com
Harry Pole

What are you listening to?
Flatcut whinging
What are you most afraid of?
Getting eaten by a shark
If you could party with one person, who would it be?

What is your motto for life?
They say hard work never hurt anyone, but why take the chance
Where do you hope to be this time next year?
Studying at CSU

Year 12 Profiles

Breeannah Middleton

What are you listening to?
People freaking about SAC’s
What are you most afraid of?
Growing old
If you could party with one person, who would it be?
The Man, The Myth, The Legend - Niam Foxcroft
What is your motto in life?
I’m not a complete idiot, some parts are missing
Where do you hope to be this time next year?
Somewhere great

Are we working above the line or below the line. ABOVE of course.

There is no need for Mrs Miller to worry about us. On Tuesday afternoon motivation for learning was intrinsic. There is nothing better than being read to. What is this group reading you may ask. Is it Each Peach Pear Plum? No. It is “Every man in this village is a liar” by Megan Stack. Unit 4 has started. Harry Pole, Harry McKimmie, Jackson, Bree, Georgia, Dara and Dylan are making the most of a warm room, bean bags and sharing the job of reading out loud. This scene shows why Corryong College have the best results in the North East Region. Did anyone tell them to do this? No. A walk around the school shows there are more groups/pairs of Year 12 students making the most of the winter sun and all doing exactly the same. Reading!!.

LIME CURD FOR SALE $3.00 /JAR

LIME CORDIAL FOR SALE $3.00 Each
Opportunities in Term 3

Everybody Dance Nao!
Robot Dance Competition

By using the programming interface *Choreographe*, students can create a simple program to make NAO dance. Teams of up to three students will download and use the interface to design and program their own unique robot dance.

Depending upon the number of students participating at the College, three final entries, one Junior (Years 5 and 6), one Intermediate (Years 7 to 9) and one senior (Years 10 to 12), will be submitted at the end of the contest.

Participating teams will have the month of July to develop their entry. An information session for all interested students will be held in the Hub (Findlay) at lunchtime next Tuesday.

Successful entries across the state will be invited to the Digital Learning Showcase to demonstrate their program using real NAO robots (worth over $9000 per robot).

Examples of how the robots behave can be found on YouTube.

Starlab Returns to Corryong!

For those who can remember, Starlab is an indoor planetarium that allows you to investigate the wonders of space. During the period of September the 5th through to the 7th, sessions will be held for students from the Corryong district. We will also be holding a community evening that will also provide telescope viewing and hands on science activities. So, include these dates in your calendar! More details will follow early in Term 3.

**Local students support the bank that's supporting them**

Corryong June 2016: Bendigo Bank's Bendigo Student Account is aimed at helping students aged 12 years and over to be smart with their money.

Kate Butler Customer Service Officer Corryong said the clever transaction account was designed to help young people earn while they learn.

"Bendigo Bank developed the Bendigo Student Account because it understands students don’t always have a whole lot of cash," she said.

"They need an account that's going to help them save money and manage their finances effectively."

Full-time students, apprentices and trainees are eligible for the Bendigo Student Account and benefits include:

- Pay no transaction fees for the following:
- e-banking transfers, BPAY, Pay Anyone
- Phone banking transfers
- Bendigo ATM & branch withdrawals
- EFTPOS withdrawals and Retail purchases.
- A great interest rate that increases the more you save
- Online banking so you can keep track of your money, pay bills and transfer cash online or on your mobile via the Bendigo Bank app.

Kate said by opening a student account with Bendigo Corryong young people were also supporting the bank that’s supporting their community.

"Through Community banking, the profits from our customers' banking business is reinvested into local groups and projects, many of which benefit our young people," she said. "So for our branch has returned approx. $125,000 to the community including funding for Corryong and Cudgegowa Football and Netball Club, Upper Murray Football and Netball Club, Corryong Swim Club, Corryong Attree Park and The Man From Snowy River Festival.

"So if you want to change to a bank account that’s got no transaction fees, great access and does big things for your community, switch to the Bendigo Student Account today.

"Just visit us in the Corryong Agency at Costello Rural and we’ll do the rest."

For further information about the Bendigo Bank Student Account you can also contact Kate Butler or Jo-Elle Whitsed on 0437 551 866 or visit www.bendigobank.com.au.
