Tickets on sale NOW

Corryong College Senior Campus Office
or call 0260 761 566

Family $25.00
Adult $10.00
Concession $8.00
Student $5.00
Dear Parents/Guardians,

Student Free Day – Report Writing Day: Friday 10th June
Parents are reminded that Friday, 10th June, is a student free day to enable our teachers to complete writing their student’s mid-year reports. Please note that in most cases reports will not be finalised on this day as many assessment tasks will take place after the Report Writing Day. Students are advised to continue with their best effort till the end of the term.

School Uniform and Jackets
The mornings are now quite cool and I have noticed that a number of students have come to school wearing a variety of different jackets. Please note that the wearing of non-school approved jackets is not acceptable and does not conform to our school uniform policy!

Our school uniform policy is quite clear, a copy is included in every child’s School Planner, all items of clothing, including shoes, must comply with the items described in the policy. The policy also states that any layers worn underneath uniform for warmth in the colder months are to remain invisible and students, in general, comply with this aspect of the uniform policy extremely well.

In 2008, School Council phased in a blue jacket to be worn over the school jumper during the winter months of the year. These school jackets have been on sale for $35.00 from the General Office since 2008 and are made of warm polar fleece and have a full frontal zip.

Only the School Council approved jacket is to be worn as a student’s outer layer.
I would like to take this opportunity to also remind parents that if their child is unable to attend school in full school uniform that they should supply a note for their child to show to their form teacher first thing in the morning. Thank you for your support in this matter.

School Levies and Charges
School levies and charges for students undertaking programs at the College including instrumental music were distributed to families via the post last week. School Council decided to refrain from distributing fees until final course selections had settled.

There have been issues in the past, especially at the Senior Campus with students wanting, or needing to, change the course they had selected the year before. This, as you may well imagine, caused significant grief both at home and for the administrative staff trying to ensure correct charges are sent home to families. We are hoping that by delaying school levies to this time of the year that these past problems would be alleviated.

School levies and charges for the Essential Education Items are as follows;

- Prep to Year 2 - $120,
- Year 3 to Year 6 - $200
- Year 7 and 8 - $210,
- Year 9 and 10 - $210

The levies and charges are more than reasonable when compared to charges issued by other schools. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office.

Lateness to school
Some students have been sighted arriving to school late. In some instances this can be up to half an hour late or even longer. This has been occurring more frequently as the term has progressed. We encourage parents to ensure their children arrive at school between 8.40 and 9.00 so that students are present for Home Group when the roll is marked, in the case of the Senior Campus, or at the start of the physical activity session, in the case of the Junior Campus, so that lessons can commence promptly.

At both campuses student lateness is recorded on the roll. This then forms part of the data that we have to provide to the Department of Education and Training each year. Absenteeism and lateness to school is correlated with Student Engagement, one of the areas schools have to discuss in their Annual Report. Student attendance is a major issue in schools in our Region and even though Corryong College has made significant improvement in this area over the last few years, our school was still above the state benchmark for student absence. We would appreciate any effort to improve our current attendance figures.

Tony Valente (Principal)

**MATH HELP AFTER SCHOOL**
Every Tuesday from 3.30pm-4.30pm
@ the Hub
All students welcome

The Scholastic Bookfair this year was very successful. Thank you to all students, parents and staff who supported our book fair. Now we get to spend our commission on lots of lovely books for the School Library. These year 4 students are displaying some of the great books we have already purchased with the money raised.

Nikki Nugent Librarian
PIES AND SAUSAGE ROLLS BEGIN.

Anyone wishing to order pies and sausage rolls please bring your order to the office on Monday morning. Place the order in an envelope with your name and the correct money.

Pies $4.00
Sausage Rolls $3.50
Iced Donuts $2.00

Visitors to Junior campus. A reminder to parents to please call past the office and sign in as a visitor prior to going to your child's class.

Victorian Primary School Nursing Program. The Victorian Primary School Nursing Program is a free health assessment service offered by the Department of Education and Training to all children during their first year of primary school. An information package has been sent home to all Foundation students. Please complete the forms and return to school ASAP.

World’s Biggest Morning Tea—Well done to the Year 4 students for organising a Cuppa for Cancer morning tea for the students at the senior and junior campus. An overwhelming response from everyone and an amount of $269.05 was raised. Thank you to all involved.
Imagine if you could scale the Earth down so that it was only 1 cm in diameter. If the Sun and all the other planets were scaled down to the same size how far away would they be from each other? That’s exactly what students in Years 5 and 6 have been doing in their STEM Unit “Are We There Yet”. After calculating the number of steps it would be necessary to take in between each of the planets, the students set off in their quest to find where each planet would be located. With the Sun sitting comfortably outside the school with a diameter of a little over a metre Earth was approximately 105 metres away. Jupiter, the first of the outer planets was located at the roundabout near Atree Park and Neptune, the last of the known classified planets was found down the bike path past the “Welcome to Corryong” sign. Poor old Pluto, reclassified as a dwarf planet in 2006 would have been located near the abattoirs, had we made it that distance. Now that we are aware of the distances between the planets and their comparative sizes we will be determining which of the planets would be the best suited for humans to colonise in the future.
This week Corryong College sent two teams down to Wodonga to represent the school in Ovens and Mitta Senior Football. The girls team came home with an excellent win, kicking 10 goals - 10 points and holding Sacred Heart Yarrawonga scoreless. The boys were up against some tough competition, going down in both their games to Tallangatta and Sacred Heart Yarrawonga. We all wish the girls good luck at the Hume Finals early next term.

Last week the year 12’s really enjoyed participating in the Snowy Hydro driver training day where we were taught how to drive to the conditions of our alpine regions.

Over the past few weeks student’s at Corryong College partook in inter school carnivals such as the House Cross Country, TKVSA Cross Country and Ovens and Mitta Volleyball. We had two teams go down to represent the school for this second level of senior volleyball, both of whom came home with second place flags. It was a tough day with some really strong teams from across the state. The cross country was also a big success, we had an excellent turnout from all age groups and everyone tried their hardest. A really big shout out to all the age champions and good luck at the next level. Also a big thank you to Mr Sinclair and his helpers for making the day run smoothly.

Corryong College have many fun and exciting events planned for the near future. Firstly the production ‘Grease’ will be held on the 24th, 26th and 27th of May and all the actors are ready and geared up for three massive nights of pure entertainment. The Student Leadership Team are also planning to run a Bright Colours Casual Clothes Day to raise money for Angelman’s Syndrome and Kalinda on Friday the 3rd of June (week 8). Finally, our social theme ‘Throughout Time’ has been chosen and will take place on the second Friday of Term 2—stayed tuned for more details regarding the School Social.
Ellie Holland has proved to be a wizard with the pencils by winning the Newspower Easter colouring competition.

Ellie’s entry won the Corryong Newsagency ’s in-store competition from 30 others and was then selected as the state winner. Ellie was presented with a $250 Staedtler prize pack at our assembly last Friday by the Corryong Newsagency owners Adrian & Jodie Grzeschka and the State Newspower representative Peter Oredsson. She also won a $500 Staedtler prize pack for our School. Well done Ellie! (Report by Corryong Courier)

**Year 11 & Year 12 Students**

Corryong College students have a history of making the most of opportunities presented to them academically, socially and in the sporting field. Due to the fact we are an isolated rural school, an offer has been extended to our school to have the attached program delivered via a webinar, free to students in Year 11 & Year 12.

I think this would be an incredibly worthwhile experience, which will add to Student’s employability skills.

This incursion will be held in the Senior Campus Conference room on Friday 15th July, 2016.

Topics covered by the presenters include;

* How to have a healthy relationship with your mobile phone
* Unlocking your inner genius
* The power of laughter
* The potential of pro-social media
* Resilience, learning and wellbeing
* Relationships and choice pathways

Permission forms have been handed out to each students and required back by the 15th June.

Later Years Co-Ordinator, Ms H Marshall, Mrs N Edwards & Mrs S Klippel.

---

**Performance Nights**

**Hair and Makeup**

It is preferred that Chorus members from Grade 2 – Year 11 come in their own makeup with their hair done.

If you have difficulties doing this Mrs Edwards and her team will be there to do it on the night but there are 15 leads to do first.

All cast and chorus to be in full costume, hair and makeup and waiting upstairs of ECA Centre by 6:30pm. Show begins 7pm.

**Makeup**

- Foundation (needs to be applied much heavier than usual so that actors do not look washed out under the stage lights.)
- Eye shadow
- Blush
- Lipstick
- Mascara

**Hair**

- Girls with long hair to wear in a high pony tail.
- Girls with short hair can pull half back at top and wear rest out.
- Boys slick back their hair using gel or hair spray.
Corryong College Parents Club Pie Drive.

Orders must be received by Wednesday 1st June and collection of orders may be picked up from senior campus Thursday 16th June. May from 3pm.
