Dear Parents/Guardians,

**PRINCIPALS COLUMN**

**Junior Campus School Crossing**
The modified school crossing on Towong Road outside the junior campus is now complete and fully functional. Buses now have to line up on the service road on the opposite side of the junior campus and once there is room three to four buses at a time move into the bus boarding area directly outside the school fence.

Staff have informed me that some parents are dropping off students in the bus bay and this is of great concern to the College. This is holding up the buses and adds to the traffic congestion on Towong Road during these peak times. Appropriate space has been allocated for dropping children off in Donaldson Street and we ask all parents to please comply with this procedure.

Picking up or dropping off students in the bus bay during these times is an offence and putting children at risk of harm by moving traffic.

**Interim Reports and Parent-Teacher-Student Interviews**
Staff have been busy finalising the completion of Term 3 Interim Reports; these will be posted home next week. Parent-Teacher-Student Interviews will take place on Wednesday 7th September 4.00pm to 7.00pm. This is a great opportunity for you to get some feedback on how your child/children has progressed since the end of last semester and is particularly important for parents of VCE students as we approach the ‘pointy end’ of the year. Please discuss with your child the most appropriate time for you to see teachers. Interview times will be open to parents from today at 3.00pm. We look forward to discussing your child’s progress during these sessions.

**Information Evenings and Enrolments for 2017**
Next week the Year 9 to 12 Level Coordinators will be course counselling prospective 2017 Year 12 students and on Tuesday evening we will hold our annual VCE/VCAL/VET information evening for Year 10 and Year 11 students and families. The Information Evening for Year 8 into Year 9, 2017 will happen early next term. As a consequence the College has started to make plans for the curriculum and the number of classes it will be offering in 2017. The gathering of accurate enrolment information is vital to the planning of classes, timetables and allotments at a school. Please ensure you inform the school sooner, rather than later about your plans for next year if you are leaving the town or you intend to enrol a child at the College.

In fact Corryong College is seeking enrolment information for ALL year levels for 2017 NOW!

**New Teacher Appointment for Grade 5 and 6**
Earlier this term Ms Tina Keyzer had decided to return to Canada to take up a teaching position. The start of the school year in Canada is August.
Tina’s position was advertised state wide, as required by the Department of Education and Training, and a panel was formed at the College. The panel carried out interviews on Wednesday 17th August and has made a recommendation.
I am pleased to announce that Ms Wendy Hodgkin has been appointed to this position for the rest of 2016.
Since Wendy has only had limited time with the students all appointments for parent/teacher interviews should be directed to Steve Learmonth.

**School Uniform and Jackets**
The mornings and many of the days continue to be very cool and I have noticed that a number of students have come to school wearing a variety of different jackets, hoodies under school jumpers and all sorts of beanies. Please note that the wearing of non-school approved jackets, jumpers or head wear is not acceptable and does not conform to our school uniform policy!

Our school uniform policy is quite clear, a copy is included in every child’s School Planner, all items of clothing, including shoes and head wear, must comply with the items described in the policy. The policy also states that any layers worn underneath uniform for warmth in the colder months are to remain invisible and students, in general, comply with this aspect of the uniform policy extremely well.

Only School Council approved clothing items are to be worn at school.
I would like to take this opportunity to also remind parents that if their child is unable to attend school in full school uniform that they should supply a note for their child to show to their form teacher first thing in the morning.

Thank you for your support in this matter.

Georgia Bye – Sydney Thunder Selection

Corryong College would like to congratulate Georgia Bye on her selection in the U/23 Rookie Squad for the Sydney Thunder. This amazing achievement can be added to an ever increasing list of cricketing accomplishments for Georgia over the past few years. From representing the Riverina at junior state championships, to last year breaking into the ACT State U/18’s team, Georgia has continued to amaze us with her dedication to, and love of cricket. Her latest achievement puts her in the mix for selection for the Women’s Sydney Thunder Big Bash Team, which could see Georgia one day competing against some of the best female cricketers in the world. Such opportunities have not come without sacrifice from both Georgia and her family, with the hours spent on the road too many to count. Georgia will next travel to Canberra on the 9th of September for a final selection trial – all of us at Corryong College wish her every success.

eSmart Webinar Invitation - “What’s trending for online tweens and teens”

In the fast-paced online world, it is so difficult to keep up with the what, the when, the where and the who of Australian tweens and teens. What online platforms are they using? Exactly when are they going online? Are they ever offline! Where are they accessing wifi connections, and who are they engaging with when online?

Members of the Corryong College community are invited to attend a webinar facilitated by the Alannah & Madeline Foundation’s Cybersafety Advisor, Jeremy Blackman. The purpose of this webinar is to give insight into the latest research and trends for Aussie tweens and teens, plus strategies in proactively managing what and where these trends are.

Topics covered will also include:
- What online platforms (apps, gaming, social media) are tweens and teens currently using
- Why are these platforms inviting for tween and teens
- Challenges in using these platforms
- How to inform parents about these platforms
- Where to seek help/advice

Date: Tuesday 30th August
Time: 4.00 – 4.45pm
Place: Findlay Room, Hub

Please register your attendance by contacting the general office at the senior campus.

It was a great day Wednesday 24th August as the yr5-11s demonstrated their musical talent to excited Kindergarten kids. Everyone couldn’t help but tap their feet and dance around with the array of songs including; Beverley Hills, Bunyip Blues, Jus’ Plain Blues, Tequila, Viva La Vida and Frozen’s Let It Go. The morning was a lovely reminder of the care our students show to their younger community members. It was smiles all round, as they eagerly entertained the kids and then joined them in fun play.

Well done to all our musicians and a big thank you to our band helper Kimb Heycox and to the Kindergarten for having us.

Renata Coppola & Gavin Heycox.
Later Years News: On **Tuesday the 30th of August** all Year 10 students and their parent/s are invited to a Transition Evening in the Library commencing at 7.00pm.

We will hold a morning tea next Wednesday for all students doing a Unit 3 and 4 subject to discuss study plans and reinforce active learning strategies.

Year 12 students have 4 weeks of formal lessons and then after the September break, 2 and a half weeks of practice exams.
