Dear Parents/Guardians,

Student Free Day – Report Writing Day: Friday 10th June – Reminder!

Parents are reminded that Friday, 10th June, is a student free day to enable our teachers to complete writing their student’s mid-year reports. Please note that in most cases reports will not be finalised on this day as many assessment tasks will take place after the Report Writing Day. Students are advised to continue with their best effort till the end of the term.

School Production and School Social

This is a busy time in schools including mid-year exams for many students at the senior campus and GATs for students completing Unit 3 and 4 in 2016. We have just presented two performances of Grease with the final presentation tonight! I want to take this opportunity to thank all staff for contributing their personal time in the planning, organising and supervising these extremely valued school events.

I especially would like to thank Nadia Edwards, who gave up much of her personal time to coach and direct the students in learning their lines, singing and dancing and also a special thank you to all the staff, parents and students that have helped out with creating the stage props, the advertising, catering and all the other things that happen behind the scenes. Without your help the production would not have been as big a success as it was. Thank you!

Lateness to school

Some students have been sighted arriving to school late. In some instances this can be up to half an hour late or even longer. This has been occurring more frequently as the term has progressed. We encourage parents to ensure their children arrive at school between 8.40 and 9.00 so that students are present for Home Group when the roll is marked, in the case of the Senior Campus, or at the start of the physical activity session, in the case of the Junior Campus, so that lessons can commence promptly.

At both campuses student lateness is recorded in the roll. This then forms part of the data that we have to provide to the Department of Education and Early Childhood Development each year. Absenteeism and lateness to school is correlated with Student Engagement, one of the areas schools have to discuss in their Annual Report. Student attendance is a major issue in schools in our region and even though Corryong College has made significant improvement in this area over the last four years, our school was still above the state benchmark for student absence. We would appreciate any effort to improve our current attendance figures.

School Levies and Charges

School levies and charges for students undertaking programs at the College including instrumental music were distributed to families via the post last week. School Council decided to refrain from distributing fees until final course selections had settled. There have been issues in the past, especially at the Senior Campus with students wanting, or needing to, change the course they had selected the year before. This, as you may well imagine, caused significant grief both at home and for the administrative staff trying to ensure correct charges are sent home to families. We are hoping that by delaying school levies to this time of the year that these past problems would be alleviated.

School levies and charges for the Essential Education Items are as follows;

- Prep to Year 2 - $120,
- Year 3 to Year 6 - $200
- Year 7 and 8 - $210
- Year 9 and 10 - $210

The levies and charges are more than reasonable when compared to charges issued by other schools. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office.

Visitors to Junior campus. A reminder to parents to please call past the office and sign in as a visitor prior to going to your child's class.
Wow! What an action packed term. The Production of “Grease” has been a massive success with our cast members showing off their creative talents and amazing acting skills. We hope everyone got to experience the fantastic recreation of the iconic movie “Grease”.

Furthermore, students have been showcasing their talents by representing our school at both the O&M and Upper Hume Cross County. Congratulations to Bella McKimmie, Hayley Whitsed, Jess Damm, Zac Whitsed and Ellie Holland, who have all qualified for the Hume Cross Country.

We are currently organising a fundraising day ‘Bright Colours Day’ on the 3rd of June, for Kalinda Bos. This day is aimed at creating awareness of Angelmans Syndrome and raise funds for equipment to assist in Kalinda’s education. We encourage everyone to support this day by coming dressed in Bright Colours and giving a gold coin donation. The Jeremal House have organised activities for both the Junior and Senior campuses. The Junior campus will have a colouring mural on which students are able to draw anything that they associate with bright colours. At the Senior campus, we will be conducting a variation of “Family Feud” which involves teams of 6-8 people, costing $5 per team. There will be prizes for teams in the 5-8 year levels and teams in the 9-12 year levels.

Lunchtime netball will be finally kicking off next week, after delays from the weather and the production, we will be running 5-8 netball on a Friday lunchtime and 9-12 will be held of a Thursday lunchtime. We hope everyone will come along and support your house.
## CORRYONG COLLEGE PARENTS CLUB PIE DRIVE.
