Dear Parents/Guardians,

2016 NAPLAN
We’re already at the end of week 4, Term 2 and the year seems to be speeding by with another NAPLAN testing cycle begin-
ning next week. There are changes afoot that, for some students, will see this year’s NAPLAN being the last paper-based test as it develops into an online assessment from 2017. It is vitally important to remember that it is only a snapshot of a child’s perfor-

All students in Years 3, 5, 7 and 9 will undergo the NAPLAN, the National Assessment Program in Literacy and Numeracy. This is a nationwide assessment program that will assess the literacy and numeracy learning of students in all Australian sch

Testing will take place over three days;
   - Tuesday 10 May – Language Conventions (Spelling, Grammar and Punctuation) and Writing,
   - Wednesday 11 May – Reading,
   - Thursday 12 May – Numeracy.

These tests are aligned to the National Statements of Learning and are consistent with the Victorian Curriculum. The tests are marked by the Victorian Curriculum and Assessment Authority (VCAA). Results of the tests will be sent to the school, when this happens parents will be notified.

I urge parents to support their child during next week’s testing and I also urge students to take the tests seriously as the results are used by schools across the country to gauge improvement in individual student performance and to identify areas for improvement. For Corryong College, this additional information will assist teachers to develop comprehensive plans for students to ensure that they continue to improve. The data will also support school planning and decision-making regarding professional learning and targeted use of resources.

If for any reason you have a concern with regard to the NAPLAN, please do not hesitate to contact the school and ask to speak to Sarah Klippel or myself.

School Levies and Charges
School levies and charges for students undertaking programs at the College including instrumental music were distributed to families via the post last week. School Council decided to refrain from distributing fees until final course selections had settled. There have been issues in the past, especially at the Senior Campus with students wanting, or needing to, change the course they had selected the year before. This, as you may well imagine, caused significant grief both at home and for the administrative staff trying to ensure correct charges are sent home to families. We are hoping that by delaying school levies to this time of the year that these past problems would be alleviated.

School levies and charges for the Essential Education Items are as follows;

- Prep to Year 2 - $120,
- Year 3 to Year 6 - $200
- Year 7 and 8 - $210,
- Year 9 and 10 - $210

The levies and charges are more than reasonable when compared to charges issued by other schools. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office.

A BIG Thank you to Parents Club for purchasing the Chef’s caps for the SAKG Cooking classes.

After watching a video on “Ration Times”, the students learnt what people had to collect (coupons) to even clothe and feed themselves.

Here are some photos of the SAKG class using ration items and transforming them into nutritious ANZAC Biscuits using wattle seed, Vegetable Loaf using lima beans and Lemon and Rosemary Scones.

The SAKG garden is going great under the stewardship of Mrs Tammy Holland, we have our seed plantings under way for our winter vegetables in the green house and the chickens are full of ‘wick’, we even had a couple of blue/green eggs laid! Surely it’s not that cold yet! Although the capsicum may agree, they have been trimmed back and we are seeing if they can continue through winter in our greenhouse, some little capsicums are already coming on.

In our ‘rest’ beds we had poppies planted around ANZAC week which should hopefully be ready by Remembrance Day, the students made and hung paper poppies so we knew which beds had been planted.

Students have been as busy as beavers collecting leaves for mulch for the Food Forrest and have been transferring our compost in preparation for creating new and improved compost bins during our winter work bee (more information to follow).

If anybody has any time, manure or mulch they would like to donate, could they please contact the school as the assistance would be greatly appreciated!

Here are some photos from the garden this week! Mrs Zoe Nugent
