Dear Parents/Guardians,

Welcome Back to Term 4

Teachers and students at Corryong College have started the term running; with Hume Athletics Carnival, Healthy Harold, VCE Indonesian Oral Examination and the Year 7 Immunisation program all happening this week.

The next few weeks look just as busy with students studying Units 3 and 4 finishing off courses and preparing for the exam period. The last day for Year 12s is on Wednesday 19th October. There is also the CFA ADVANCE awards afternoon, transition days, information evenings, work experience, Presentation Evening and the Curriculum Day on the 31st October.

SunSmart Term 4

Parents and students are reminded that our College is a SunSmart school. Each year in Terms 1 and 4 our SunSmart policy requires students to wear a broad-brimmed hat whenever they are out in the sun including sport or PE classes, and including recess and lunch breaks. Parents are asked to assist us by ensuring students attend school during Term 4 with an appropriate broad-brimmed hat.

Regular Summer Uniform

The days are getting longer with the odd warm days of sunshine. Our students have responded by offloading their winter attire and replacing it with our summer uniform.

In most cases students and families have organised the appropriate attire for the change of seasons but in some cases students have taken upon it themselves to ignore the uniform guidelines that are outlined in their School Planner. Currently the Uniform policy states; Tailored plain navy or grey shorts (short casual shorts or football shorts are not permitted).

Some students are wearing shorts that are briefer than mid-thigh and this was unanimously supported at the leadership team meeting last term as being inappropriate school attire. Further discussion regarding the wording of the policy is to take place at the next School Council meeting scheduled for November.

I would like to take this opportunity to also remind parents that if their child is unable to attend school in full school uniform that they should supply a note for their child to show to their form teacher first thing in the morning.

Child Safety and Visitors to the College

The College seeks to provide an open and friendly learning environment which values and actively encourages visitors to our school. At the same time we recognize our duty of care to ensure a safe environment for our students and staff, and we recognize our responsibility to protect and preserve our resources against theft, vandalism or misuse.

All visitors have a role to play in supporting a culture of child safety at our school. Parents cannot go directly to the classroom to collect their children but are required to report to the administration office prior to undertaking any activity within the school.

Other than in the case of short inquiries or business in the administration offices, visitors will be required to sign a “Visitors’ book. At the end of their visit they will be requested to ‘sign out’ in the ‘Visitors book’.

The College understands that it is tempting at times for some parents to just pop in and deliver a lunch or a sport uniform or whatever without reporting to the office first but we must insist that all parents follow the College’s process at all times.

School Levies and Charges

Term 4 has just begun, hence it is important that outstanding school levies and charges are settled as soon as possible.

School levies and charges for students undertaking programs at the College including instrumental music were distributed to families via the post towards the end of Term 1. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office. College Council sets fees and charges in order to provide the quality of facilities and programs enjoyed by our students. Parents’ cooperation is appreciated.

Thank you to all those parents that have already made payments. If you would like to make progressive payments, please contact the College Office to make arrangements.

MILO CRICKET—in the last week of Term 3 Charles Sheather from Cricket Australia spent the morning with the students promoting Milo Cricket which is a program dedicated to helping students learn the skills to play cricket.
Jess McLean has over the past few months been playing representative football with the U/18’s North East Bushrangers football team. Jess competed in the VLine Cup last week where she came up against representative teams from across the state—the Bushrangers were undefeated in their 2 matches. They will now take on the Goulburn Murray Bushrangers on the 23rd of October, where Jess will be hoping to earn a place in the Bushrangers Academy Squad. If she is successful, she will then hope to compete in the TAC Cup Carnival in March next year, vying for a spot in the Vic Country Squad to compete at the National Championships. It’s an exciting time for girl’s football in the north east and Jess is leading the way for girls in Corryong—well done and good luck!
ICAS Maths Competition 2016
In August 41 students from Year three through to Year 12 were selected to participate in the ICAS mathematics competition. We had some amazing results! Corryong College achieved 16 credit certificates which places these students in the top 36% for their age in Australia.

The following students achieved a distinction certificate which places them in the top 11% for their age in Australia: Tyler Crane, Zac Whitsed, Lachy Martin, Ben Hewatt, Sam Paton, Jake Tregilgas, Adele Miles, Amelia Melhuish and Tom Ross. A special mention to Tom who placed in the top 2% of students for his age in Australia.

One of our Year 3 Students, Hayley Whitsed achieved a high distinction, which places her in the top 1% for students her age in Australia. A fantastic achievement.

Well done to all students that represented Corryong College, these results are amazing!

Congratulations to the Chicken Club won the secondary school division of the RSA School Egg Laying Competition at the Melbourne Show. Students from Years 5 to 10 formed two teams to raise chickens last term. The chickens arrived when they were 9 weeks old. As they grew we recorded their mass, how much they ate, checked them for disease and made sure they lived in a clean and safe environment. At the Melbourne show, the chickens were judged on their health and condition, the quality of the eggs and the poster explaining the information we had collected. The students’ excellent efforts were rewarded with:

Blue Team: Equal Third for poster, Third for quality of chicken eggs, 1ST Overall in the secondary schools competition

Yellow Team: Equal Third for poster. The results haven’t come out yet, but this team was in the top 5 for the secondary school section. We competed against 22 other schools. Congratulations to all involved.
PARENTS’ CLUB

We are to have our second last meeting for the year next Monday 10th October at 2pm in the HUB at the senior campus. If you have any agenda items, please feel free to let me know and I will add them. Looking forward to seeing you then.

We are looking for donations of biscuits/cakes/slices/muffins for our upcoming Open Garden next weekend at Kaye & David Laverty’s property at Lucyvale. This is a fantastic opportunity for our school and we need people to support it, so we would love you to bake something and get a group together to visit the garden.

We will also need people to assist on the day with manning the gate, serving beverages etc...(Any assistance would be greatly appreciated)

If you have any items could you please drop off at the school offices or at Melissa Humphrey’s salon (rear of 68 Towong Road).

Would you consider donating some of your time to volunteer in the Op Shop? We still need helpers and people willing to join the committee of management. If you can help out please contact Sally 60760529.
