Dear Parents/Guardians,

PRINCIPALS COLUMN

Student Bus Travel
Students who are REGULAR USES of the school buses are ONLY able to swap buses to go to a friend’s place if a written note has been provided to the school, preferably the day before, and counter signed by Mr Matt Barlee, Ms Sarah Klippel or Mr Tony Valente.

Students that are NOT REGULAR bus uses are NOT to use the buses for any reason until an official bus form has been completed and signed by a parent or guardian. These forms can be obtained from the General Office.

Further to this it is MANDATORY that students use seat belts in buses that have them fitted. Failure to do so may lead to students losing their privilege of using the school bus.

Your cooperation in this matter is greatly appreciated.

Modification to the Junior Campus School Crossing
The Towong Shire in partnership Vic Roads will be making changes to the Junior campus crossing – Towong Road. Road works will involve moving the school crossing, extending the island and widening the footpath.

This will now have some impact on the buses as they will no longer be able to turn in front of the island. Bus drivers will have to go around the roundabout and then line up as usual.

The Shire has assured us that there will be minimal disruption and that they will try to work with the school as much as possible. Most of the works will be on the junior campus side and that they will continue to operate the exiting crossing during the work schedule to reduce the impact on the school children. There will be some delays and traffic control on this section of the road will operate during the middle of the day.

School Uniform and Jackets
The mornings are now quite cool and I have noticed that a number of students have come to school wearing a variety of different jumpers and jackets. Please note that the wearing of non-school approved jumpers and jackets is not acceptable and does not conform to our school uniform policy! School approved jackets are available from the General Office.

Our school uniform policy is quite clear, a copy is included in every child’s School Planner, all items of clothing, including shoes, must comply with the items described in the policy. The policy also states that any layers worn underneath uniform for warmth in the colder months are to remain invisible and students, in general, comply with this aspect of the uniform policy extremely well. School jackets have been on sale for $35.00 from the General Office and are made of warm polar fleece and have a full frontal zip. Only the School Council approved jacket is to be worn as a student’s outer layer.

Student Accident Insurance – Ambulance Cover Arrangements
The Department of Education and Training (DET) occasionally advises schools that parents should be reminded that the Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs. These costs may be recoverable from the Department where an injury is caused by the negligence (carelessness) of the Department, a school council or their employees or volunteers.

Student accident insurance/ambulance cover policies are available from some commercial insurers, and can be obtained by parents/guardians for individual students.

The levies and charges are more than reasonable when compared to charges issued by other schools. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office.

School Levies and Charges
We are fast approaching the end of the semester i.e. nearly half the year is gone. Hence it is important that outstanding school levies and charges are settled as soon as possible.

School levies and charges for the Essential Education Items are as follows;

- Prep to Year 2 $120,
- Year 3 to Year 6 $200
- Year 7 and 8 $210,
- Year 9 and 10 $210

The levies and charges are more than reasonable when compared to charges issued by other schools. Payment of school levies and charges is a significant component of meeting a child’s education. We ask parents to make arrangements, as soon as possible, for payment at the College Office.

Victorian Primary School Nursing Program. The Victorian Primary School Nursing Program is a free health assessment service offered by the Department of Education and Training to all children during their first year of primary school. An information package has been sent home to all Foundation students. Please complete the forms and return to school ASAP. The school nurse will be attending Corryong College Junior campus on the 15th June.

A reminder to parents. If your child is changing bus arrangements please advise the office. If you are having town students stay for a night please ensure the bus process is followed through the school before the child/children travel on the school bus. The bus drivers will not allow students to travel without a pass. Any queries please contact Gail Spink.

Head Lice. It has been brought to our attention that head lice is back again. Please could parents check their child’s hair and treat as necessary.
The Student Leadership Team has enjoyed a brief lapse in activities this week, taking a relaxing break after our successful Bright Colours Day. This day was a huge success with our school coming together to raise almost $400 to assist in Kalinda’s education. The colouring mural at the Junior Campus brightened up the whole school and was a lot of fun for all the students. The Senior Campus held an extremely competitive game of Family Feud which was very enjoyable for everyone that partook. Well done to Jeremal House for organising such a great event.

We’d like to express our appreciation of the efforts of the Junior Footy players who competed in the Ovens and Mitta Carnival last week and to promote the House Lunchtime Netball which we encourage more students to attend. Netball has started and both junior and senior competitions have been very close. Everyone should look forward to the grand final which will be held on the final day of term.

**Are you a mother of a child with a disability?**

Do you have time for your own wellbeing?

You are invited to attend a **FREE** full day workshop **Healthy Mothers Healthy Families (HMHF)**

HMHF is a program for women seeking to achieve better health, wellbeing and empowerment for themselves as they manage family duties.

The program is presented by occupational therapist Dr. Helen Bourke-Taylor, and women’s health general practitioner Dr. Fiona Jane. The program is based on research that identifies issues that challenge women with additional family responsibilities, and offers strategies to women to manage stress and stay strong.
