Dear parents and carers,

This week we have been very excited to welcome back all staff and our lovely F-2 and Year 10 VCE, 11 and 12 students. It has been great to see these students in person and start the staged return. Thank you to all the F-2 and 11/12 teachers that have taken on the face-to-face teaching so well and of course, thank you to our students for their positive energy they have demonstrated. It has been smiles all round.

The restrictions that are in place are seeing a lot of cleaning of the many touch points we have. I would like to thank the Education Support staff that have taken on the duty of cleaning throughout the day.

We know that it has been quite the chaotic start to the year but it has been met with enthusiasm and dedication by all.

Whilst this introduction is well overdue, please join me in congratulating the following parents, staff and students in forming part of our 2020 School Council. The School Council is an important team which supports the college in our strategic and financial planning. 2020 will see the college taking on further building projects that will be based around the refurbishment and/or rebuild of B Block toilets, ECA Centre change rooms (toilets, showers included). This may also include improvements in the college environment also. Currently this is with the Department of Education. However, currently, we are proud to announce that the F-4 hub play equipment that was due to commence during January, is almost complete! Next week the sail shades will be installed allowing full access for our F-4 students. This has been a long time waiting but will be well worth the wait. The School Council, earlier this year, gave endorsement for DELWP to use our Nariel Pine Plantation to for a period of 2 years. This will assist DELWP facilitating wood for the community after our January fires have greatly impacted our firewood collection areas. This also benefits the college, as this area was also burnt and we were unable to source pines for replanting.

There will be many projects that the School Council will assist of which we will report on in this KIT. Members as per below, left to right. Office Bearers included;

School Council Principal Delegate: Fran Heath

School Council President: Nicole Martin

Vice President: Nick Mason

Treasurer: Hayden Drummond

Assistant Treasurer: Lauren Kurnof

Secretary: Gail Spink.

Community Member: Brenda Whitehead.

Parent Members: Kate McCallum,

Ricarda Brindley. Student Members;

Tom Sheather (College School Captain),

Hannah Pole (College Vice Captain),

DET Members: Chrissie McKimmie

(AP—Teaching & Learning), Nigel Adkin (AP—Wellbeing), Neill Nichols (OHS), Warren Sinclair (Student Leadership Coordinator, OM Sports Coordinator).

### State School Relief—Reimbursement available for school shoes and essential items

All parents that have put in their State School Relief forms and has these approved, you will see a reimbursement form on the back page of this KIT. As the State School Relief funds uniforms and essential items that are available from the front office. Parents can phone in and office staff will support. However, for school shoes as they are not available from school, please use the form attached and get this back to the front office, along with the tax invoice and this reimbursement will be processed and deposited into your nominated account. For further information, please phone the front office.

### Food during COVID restriction

Please be reminded that there is no food sharing, nor is there any food supplies available at school. The canteen may be opened after June 9th, however we are struggling to facilitate enough cleaners to abide by COVID hygiene restrictions. Please ensure your children have ample food and their water bottles to ensure they are equipped for their school day.

Warm regards, **Fran Heath—College Principal**
