

# Keeping In Touch

31st July, 2020

Dear Parents and Carers,

Thank you to you all for your patience and calm in response to the next stage in our COVID journey. Every parent, carer and secondary student would have received the letter outlining the new legislation around the requirement to wear a mask from Sunday night. Therefore, every secondary student and staff member **MUST** wear a mask from Monday 3rd August.

Another letter from the Premier has been provided on the next page.

It was vital we got all the information out as soon as possible. Contact has been made to families of learning support children to ensure any concerns are heard. For some students, the wearing of masks will be difficult and it is important that all parents and carers of all students have conversations with their children over the weekend, starting now. Please refer to the letter for pointers.

You can help your community by supporting others that are unable to get masks. Do you have spare ones you have made? Contact a family that you know might be struggling and offer them a hand to make some masks or teach them to make masks. Every child present at school today was asked if they had masks for Monday. 20 did not and were supplied with 5 disposable masks for next week. Disposable masks are to be replaced every 4 hours. Therefore this will cover them for the first few days of next week. The amount of disposable masks we have at the college are limited. Please know that it is the responsibility of all parents and carers to ensure their children have masks that follow the provided DHHS guidelines. Once again, refer to the letter sent out last night.

Please know that all other COVID restrictions remain as per last term. I have below however, put in the staggered pick up times that have been put in place. Parents and carers are starting to dwindle from these but please do not. We also have witnessed parents driving up the driveway to the ECA centre to pick up their children. This can never happen! We have too much movement of children for this to be safe. Children of F-4 are now having recess until 11:30 to ensure further play space is covered. However there is student movement at all times through the day. Whilst this is only a few, please **DO NOT** drive on this driveway at any time. These strict expectations are in place to ensure the safety of our children, staff and also for you. Remember also, the college restrictions still have no control about the choices your family make on weekends but I do urge, be mindful of where you are going, who you are seeing and most importantly, the great responsibility that every individual has in reducing spread. I thank you all for understanding the strong stance that our college is taking in these restrictions. We have your best interests and health at the forefront of our stringent actions.

Year groups	Staggered pick-up arrangements
F-4 students	'In town' or 'being picked up from town' F-4 students to be picked up before 3:00pm. If you are out of your car please social distance and do not enter the college.
5-12 students	As above, however 3:10pm. Parents and carers must stay in the car. Phone
Collecting your child before above times.	If you need to collect your child earlier, you must contact the office and a staff member will take your child out to meet you. Please stay in your car.

Please view the letter from Department on next page...

## SECONDARY STUDENTS & STAFF MUST WEAR A MASK TO SCHOOL FROM MONDAY 3RD AUGUST.

Please contact the college if you are unable to have masks for your child please contact the office as soon as possible. A limited supply of disposable masks will be available.

It is the responsibility of parents/carers to provide masks for their children.

The following is a media release with useful information for you all.

Based on advice from the Victorian Chief Health Officer, the Victorian Government announced that compulsory wearing of face coverings will extend to all of Victoria from 11.59pm on Sunday 2 August. This means everyone over the age of 12 must wear a face covering when they leave their home for one of four reasons:

- study or work — if you cannot work from home
- medical care and caregiving
- shopping for essentials
- daily exercise.

Face coverings are also recommended in situations where maintaining 1.5 metres of physical distance is not possible.

For information about face coverings, visit the Department of Health and Human Services (DHHS) website

### **Face coverings for staff and students in schools**

All school-based staff must wear face coverings at school, and when travelling to and from school.

#### **Teachers and education support staff**

Teachers and education support staff will not be required to wear face coverings while teaching, but those who wish to do so, can. Teachers should wear face coverings in other areas of the school when not teaching (for example, in the staffroom, on yard duty and when providing first aid or taking temperatures), and when travelling to and from school.

#### **Primary students**

Students who attend primary school for on-site supervision will not be required to wear a face covering.

Students who are aged 12 or over by Year 6 will not be required to wear face coverings. The Victorian Chief Health Officer has advised that it is not practical to require some primary school students to wear face coverings while others are not required to.

#### **Secondary students**

All secondary school students who are attending on-site for Victorian Certificate of Education (VCE), Victorian Certificate of Applied Learning (VCAL) or on-site supervision will need to wear a face covering, including when travelling to and from school, unless they are travelling alone in a vehicle or with members of their household.

#### **Exemptions**

Some students and staff are exempt from these requirements. This includes students or staff who have a medical condition - including problems with their breathing, a serious skin condition on the face, a disability or a mental health condition. This includes students who attend specialist schools. Medical certificates will be required.

Read about specific exemptions from these requirements.

#### **Parents and carers**

Parents and carers will be required to wear face coverings whenever they leave the house, including for school drop off and pick up. If they are travelling in a car alone, or only with members of their household, they do not need to wear a mask.

Thank you all for your great support around the implementation of this next COVID restriction. Please contact us if you have any concerns.

**Some good news from the classroom:** It has been great to return to the classroom with the Wednesday VCAL students. I am so proud of them for taking on the challenge of carrying out their work placement and practicing work-related employability skills across the college. They have definitely shown their maturity, adaptability, innovation and positive attitude. Their remaining Wednesday periods are based on deepening their critical thinking skills, numeracy across various industry practice and pushing their personal projects as far outside the square as possible. Great fun and a great challenge. Thanks to all of you great VCAL students I have.

Wishing you all a safe and happy weekend. Next week, we will all be smiling behind our array of various masks. Keep positive, keep smiling.

Warm Regards,

*Fran Heath*

College Principal
